

FibraSOMA announces the liquidation of the initial public offering, successful acquisition of real estate assets and first disbursement under the Bridge Credit

FibraSOMA (BMV: SOMA 21), denominated Trust F/3332 and acting as trustee CIBanco, S.A., Institución de Banca Múltiple (the "Trustee"), informs its shareholders and the investing public of the following:

On February 25, 2021, the liquidation of FibraSOMA's initial public offering (the "Offering") was carried out and on the same date the consideration was paid to each of the contributing entities, in terms and in accordance with the provisions of each of the contribution agreements.

As a result, having met all the conditions to which the acquisition of each of the Real Estate Assets that make up the Initial Portfolio was subject, FibraSOMA has successfully concluded the acquisition of said Real Estate Assets, as they are described in the prospectus for placement of the Offering, which is available on the websites of the Bolsa Institucional de Valores, S.A. de C.V., the National Banking and Securities Commission (CNBV), and the Trustee.

Likewise, the first disbursement was made today under the Bridge Credit, which resources will be used, among others purposes, to pay for the costs of the Offering and to cover the value added tax arising from the acquisition of the Real Estate Assets that comprise the FibraSOMA Initial Portfolio.
